Join the cruise manager for a stroll to the famous salt lakes in the Mljet National Park and enjoy the boat ride to St Mary Isle to visit an ancient Benedictine monastery, an old abbey and a Church dating back to the 12th Century. Alternatively, you can rent kayaks, bicycles, scooters or convertible cars to roam around the National Park or island on your own, but beware of the nymphs! Overnight in port Polača or Pomena, dinner on board.

Early morning departure towards the island of Korčula best known as the birthplace of Marco Polo. Stop for lunch in one of the secluded bays en route. Afternoon arrival in Korčula Town followed by a guided walking tour of this enchanting place surrounded by walls and one of the best preserved medieval cities in the Mediterranean. Fish bone street pattern was used in the design of Korčula Old Town for a natural cooling effect and it provides citizens with sheltered and comfortable accommodation. Korčula has an abundant choice of restaurants to enjoy a gourmet experience and numerous bars for those looking for evening entertainment. Due to this isolation, Vis has a special charm – “the Mediterranean as it once was” making it really interesting to visit. Vis town, situated on the northern side of the island, has developed near the remains of ancient Issa, the first urban center in Croatia. Try some exquisite local wines. If interested, visit the remains of the Roman thermal place, City museum or simply take a walk enjoying the views of the beautiful Villae Rusticae situated along the waterfront.
