Day 2 - Sunday

Dubrovnik, Slano, Šipan

Breakfast, Dinner

After breakfast our English speaking guide and coach will come to the pier. After an organized transfer we will arrive to the historical centre of Dubrovnik, the famous city enlisted as UNESCO's World Heritage site, where your guide will show you the most interesting sights of Dubrovnik. After city tour you will be left on your own to explore the city, visit City Walls or take the cable car to the top of the Mount Srđ.

You will see why this city is called the Pearl of the Adriatic.

We will not have lunch included on this day so that you have more time in Dubrovnik.

Return coach transfer is scheduled between 15:00 and 16:00 hours (time to be confirmed on the spot) and will start our cruise to Šipan Island where we shall anchor in a small picturesque peaceful fishermen's village of Šipanska Luka. In case dock and lock schedules or weather conditions prevent us from anchoring in Šipanska Luka we shall cruise to Slano, located on the mainland.

We will have dinner on board tonight.

Overnight in Šipanska Luka or in Slano on the mainland.

Day 3 - Monday

Korčula, National Park Mljet, Slano, Šipan

Breakfast, Lunch

We start our day with morning departure towards the Mljet National Park. You will have just enough time to explore park, to walk around the Great and Small Lake and Islet of St. Mary with its Benedictine Monastery from the 12th century and, of course, to take a swim in the heart of National Park. Entrance fees to National Park Mljet are included. Lunch on board and cruise toward the island of Korčula. In the afternoon arrive to Korčula town, on Korčula Island, city known as a birthplace of Marko Polo, the famous explorer. Our English speaking guide will do Korčula City tour, and walk us through narrow and cobbled streets. The rest of the evening is free to enjoy dining at one of the local restaurants of your choice.
Overnight in Korčula Historical Town.

Day 4 - Tuesday

Korčula, Vis

Breakfast, Lunch

Morning cruise to Vis Island where we expected to come after lunch with swim stop. Vis is a pearl among Croatian Adriatic islands, left untouched by the development of tourism for so many years - due to its strategic location on the open sea, it served as a military zone for many years.

Beautiful beaches, and preserved nature, ecological agriculture and preserved traditional architecture are unique advantages of this unique Croatian island where we will spend afternoon.

Overnight in Vis Town.

Day 5 - Wednesday

Biševo (Blue Cave), Hvar, Vis

Breakfast, Lunch

Today is cruise to Island Biševo with its Blue cave. The cave has its own natural entrance which is located below sea level, which required that its visitors dive deeply only to resurface into the cave's mysterious blue depths. This natural phenomenon creates a magical effect of deep blue and shiny silver, mystifying her visitors.

However, sometimes High Waves prevent the entrance to Blue Cave, which is something we shall not know before the morning designated for our visit. If that happens, we can provide an alternative half-day tour of Vis Island with WWII RAF Airport, along with Komiža – a peculiarly beautiful town boasting the longest fishing tradition on East Adriatic.

After swim stop and lunch we will continue cruising towards the sunniest island of Croatia – the island of Hvar, along of the many coves and bays on the way. Hvar is one of the most popular, very attractive tourist destinations and a meeting point for the international jet set.

Upon your afternoon arrival at Hvar, a local English speaking guide will walk you throughout the town introducing you to the history, culture and way of life on this island and explain how lavender was traditionally farmed on the Island of Hvar for centuries. Have an evening in Hvar free on your own to explore and dine around in one of numerous family owned restaurants.

Overnight in Hvar Historical Town.

Day 6 - Thursday

Bol (Brač Island), Hvar, Trogir

Breakfast, Lunch, Captain's dinner

We start our day with morning departure towards Bol, said to have the best beach for swimming in Croatia named Zlatni Rat. (Golden cape). We will stop in Bol and enjoy this nice Dalmatian town for a walk, or to have a cup of coffee and take a swim till lunch is served on board. After lunch we will continue cruising towards Trogir, small town that is on the UNESCO's List of World Cultural Heritage. In the afternoon you will arrive to this small town-museum, with its stone-houses, palaces, churches, monasteries, towers, walls and especially the main attraction in Trogir – the Cathedral of St. Lawrence, probably the finest example of sacral architecture in Croatia. Professional English speaking guide will do Trogir city tour.

We will have Captain's dinner that evening on board with live music entertainment.

Overnight in Trogir Historical Town.

Day 7 - Friday

Split, Trogir

Breakfast, Lunch

Morning cruise to Split, our last port on this cruise, with swim stop along the way. Lunch and afternoon Split City tour. Our English speaking guide will show us Split historical Diocletian's Palace.

Split is the second largest urban centre in Croatia and the seat of the Split and Dalmatia County. It is traditionally considered to be over 1,700 years old. Since 1979 the historic centre of Split has been inscribed on the UNESCO World Heritage Site List. The historical and cultural buildings are located inside the walls of the Diocletian's Palace.
