Korčula, Vis

Breakfast, Lunch, Captain's dinner

We can say that Vis is the most mysterious island in Croatia. For many years it was the military and naval headquarters of Tito's partisan army and was closed to the public until 1989. This means that it had escaped large commercial development and was able to retain its natural beauty and charm, resist development and become a world-famous destination for real nature lovers and people seeking new adventures, this are but a few reasons we are in love with Vis. Evening is free to explore this charming little town on your own. Tonight, enjoy Captain's dinner on board.

Upon arrival join the guided tour of Hvar and learn why this amazing town is a must see on the historical map of the Croatia. Your evening is free to explore this amazing holiday spot by yourself.
