You will have the rest of the evening free to enjoy dining at one of the local restaurants of your choice. Overnight in Korčula Historical Town.

Day 4 - Tuesday

Korčula, Vis

Breakfast, Lunch

In the morning we will continue our cruise to the island of Vis, with a swim stop on route. Arrival to Vis is scheduled for the afternoon. Vis is rather unique compared to other Croatian Adriatic islands. Due to its strategic location on the open sea, it served as a military zone for a long time and was consequently spared of the usual tourist development. Beautiful beaches, ecological agriculture and preserved traditional architecture make up the advantages of this remarkable Croatian island. You will have free time in Vis to enjoy its unspoilt nature and dine in one of the family run restaurants. Overnight at Vis Town.

Optional afternoon Vis Island Tour Excursion We start our tour of Vis, our coach will follow the old road, rises above the town and overlooks the bay. We stop on the hill to see fertile fields, the largest freshwater surface on the island, named Lokva, and a former allied airport from WWII. After that we descend to the fields and drive through vineyards and olive groves, and then we descend us down to Komiža where we are greeted by a local guide and taken on a tour of beautiful town boasting the longest fishing tradition on East Adriatic. After relaxed time in Komiža we will go to one local farm to have a traditional dinner and taste the owner's vine and local products. Return to a boat for overnight. Price per person is 50.00 EUR and includes English speaking guide, return transfer, wine tasting and dinner at the local farmhouse. Reservations and payment on the spot, minimum 10 pax.

Day 5 - Wednesday

Biševo (Blue Cave), Hvar, Vis

Breakfast, Lunch

We will start our day with a morning cruise to Island of Biševo and its Blue Cave. Originally, the entrance to Blue Cave was located below sea level, which required visitors to dive deeply in order to resurface into the cave's mysterious blue depths. Sunbeams penetrate through the cave's submarine opening, reflecting from the white bottom floor, coloring the cave aquamarine and objects in the water, creating a truly stunning and magical natural phenomenon. However, at times high waves prevent the entrance to Blue Cave, which is something we will not know before the morning scheduled for our visit. For this reason, entrance fees are paid on the spot - if we're all lucky enough to visit the cave! After a swim stop and lunch, we will continue to cruise along many idyllic coves and bays towards Hvar, the sunniest Croatian island. Hvar is one of the most popular and attractive Croatian tourist destinations and a meeting point of the international jet set. Upon our arrival in Hvar, a local English speaking guide will walk you through the town, introducing you to the island's way of life, its rich history and culture. You'll learn how lavender was traditionally farmed on Hvar, for many centuries. Afterwards, you will be free to enjoy your evening in Hvar, to explore on your own and dine in one of its numerous family owned restaurants or taverns. Overnight in Hvar Historical Town, (B, L). We will spend a night in this very quiet town. Enjoy the nightfall, as it unifies the distinctive features of Pučišća that have intrigued us so much in daylight. Overnight in Pučišća.

Day 6 - Thursday

Omiš, Pučišća (Brač Island), Split

Breakfast, Lunch

After breakfast we will cruise across the Brac to Omiš, an ancient town with city walls, fortresses and stone churches. Omiš is located at the delta of Cetina River, with its beautiful beaches. For centuries, Omiš was for a stronghold of famous pirates, a symbol of retaliation, courage and strength in the long historical struggle against The Republic of Venice. After a relaxed walk in Omiš we will have lunch. During the afternoon hours we will sail on towards Split, our last stop. Our English speaking guide will take you through the Split City tour and walk through the historic Diocletian's Palace. The second largest city center in Croatia and the seat of Split-Dalmatia County, Split has 1700 years of history. Since 1979 the historic center of Split has been inscribed on the UNESCO World Heritage Site List. City's historical and cultural buildings are located within the walls of the Diocletian's Palace. After the city tour you will be left on your own to explore Split and have an intimate farewell dinner on your own. Overnight in Split Historical Town.
