## Day 4 - Tuesday

Korčula, Vis

In the morning, we'll continue our cruise to the Island of Vis, with a swim stop en route. Arrival to Vis is scheduled for the afternoon. Vis is rather unique compared to other Croatian Adriatic islands. Due to its important strategic location on the open sea, it served as a military zone for a long time and was consequently spared of the usual tourist development. Beautiful beaches, ecological agriculture and preserved traditional architecture make up the advantages of this remarkable Croatian island. You will have afternoon and evening free in Vis, to enjoy its unspoilt nature and dine in one of family run restaurants. Overnight in Vis Town.

Optional late afternoon Vis Island Tour excursion

We start our tour of Vis, our coach will follow the old road, rises above the town and overlooks the bay. After that we descend to the fields and drive through vineyards and olive groves passing by former allied airport from WWII and then we descend us down to Komiža. Free time in Komiža, stunning fishermen's village to have dinner in one of cosy restaurants. Return to a boat for overnight. Reservations and payments on the spot.

## Day 5 - Wednesday

Vis, Biševo (Blue Cave), Hvar

Breakfast, Lunch

We'll start our day with a morning cruise towards Island of Biševo and its Blue Cave. Originally, the entrance to Blue Cave was located below sea level, which required visitors to dive deeply in order to resurface into the cave's mysterious blue depths. Sunbeams penetrating through the cave's submarine opening get reflected from the white bottom floor, coloring the cave aquamarine and objects in the water silver, creating a truly stunning and magical natural phenomenon. However, at times high waves prevent the entrance to Blue Cave, which is something we shall not know before the morning designated for our visit. For this reason, entrance fees are paid on the spot – if we 'all lucky enough to visit the cave! After a swim stop and lunch, we'll continue cruising along many idyllic coves and bays towards Hvar, the sunniest Croatian island. Hvar is one of the most popular and attractive Croatian tourist destinations and a meeting point of the international jet set. Upon our afternoon arrival at Hvar, a local English speaking guide will walk you through the town, introducing you to the island's way of life, its rich history and culture. You'll learn how lavender was traditionally farmed on Hvar, for many centuries. Afterwards, you'll be free to enjoy your evening in Hvar, to explore on your own and dine in one of its numerous family owned restaurants or taverns. Overnight in Hvar Historical Town.

## Day 6 - Thursday Hvar, Bol (Brač Island), Pučišća (Brač Island)

Breakfast, Lunch

We'll start our day with a morning departure towards Bol. Bol is famous for having one of the finest European beaches, called Zlatni Rat (Golden Cape). As we stop in Bol, you can relax in this charming Dalmatian town. Have a walk, a cup of coffee or a swim, until lunch is served on board. After lunch we'll continue cruising towards Pučišća, with refreshing swim stops en route and lunch served on board. Pučišća is the biggest village on the island of Brač. Nowhere in the system of towns and villages in Dalmatia does terrain play such a compelling role as in Pučišća. Its spectacular irregularity of steep-sided natural harbor, authentic Mediterranean architecture and rustic ambience are simply unforgettable. The fjord-like inlet of Pučišća meets three narrow valleys that descend from the hills, joining the bay's quiet and beautiful waters. Pučišća quarry was exploited by Romans in the antiquity, after which it was abandoned until the reopening in 1455. Stone from Pučišća quarry was used to build limestone columns of the White House in Washington DC, Vienna Parliament and many other famous buildings around the world. Pučišća is also home to the only Croatian Stonemasonry school. Its students carve sculptures from Brač limestone, applying traditional and unconventional tools that have been used here for centuries. We shall spend a night in this very quiet town. Enjoy the nightfall, as it unifies the distinct features of Pučišća that have intrigued us so much in daylight. Overnight in Pučišća.

## Day 7 - Friday Pučišća (Brač Island), Omiš, Split

Breakfast, Lunch

After breakfast we'll cruise across the Brač channel to Omiš, an ancient town with city walls, fortresses and stone churches. Omiš is located at the delta of Cetina River, with its wonderful beaches. For centuries, Omiš was for a stronghold of famous pirates, a symbol of retaliation, courage and strength in the long historical fight against The Republic of Venice. After a relaxed walk in Omiš we'll have lunch. During the afternoon hours we'll sail on towards Split, our last stop. Our English speaking guide will do the afternoon Split City tour and walk us through the historical Diocletian's Palace. The second largest urban centre in Croatia and the seat of the Split- Dalmatia County, Split boasts 1700 years of history. Since 1979 the historic centre of Split has been inscribed on the UNESCO World Heritage Site List. City's historical and cultural buildings are located inside the walls of the Diocletian's Palace. After the city tour you will be left on your own to explore Split and have an intimate farewell dinner on your own. Overnight in Split.

Afternoon we will have opportunity to have optional excursion to Krka National Park with its longest waterfall of Skradinski Buk, one of the best known natural beauties of Croatia or to Trogir, wonderful city with 2300 years of tradition, a town-museum in the very meaning of the world with its rich culture developed under the influence of Greeks, Romans and Venetians and is listed.
