This morning, after breakfast, we take a walking tour through the narrow, cobble-stone streets of Korčula town. Afterward, we board our ship again and enjoy lunch. We stop for a swim en route to Hvar on the island of Hvar where we arrive late afternoon. Hvar is the most popular island in the Adriatic and a meeting point for the international jet set. A sightseeing tour of this charming town, with 8 centuries of architecture, will show you the picturesque little streets and the first public theatre in Europe (older than Shakespeare's theatre in the UK). Our evening is free in Hvar so you can explore even more and dine on your own at one of the many restaurants in town.

Note: Due to the limited capacity of the Hvar harbor (during peak season in July and August) the port of call can be substituted for Stari Grad/Jelsa. In that case, transfers by bus will be organized to and from Hvar.

Day 5 - Wednesday

Hvar, Bol (Brač Island), Split

Breakfast, Lunch

We sail to Bol on the island of Brač, home of the Golden Horn, one of the most breathtaking beaches in Croatia. This vast, golden pebble beach is unique in that it changes shape and position depending on the direction of the winds. During lunch on board, we sail to Split. Here, a walking tour shows off the historic inner city, built around the Palace of the Roman Emperor Diocletian, a UNESCO World Heritage Site. The evening is free to discover more of Split.

Day 6 - Thursday

Split, Trogir, Šibenik, Krka Waterfalls

Breakfast, Lunch

In the morning, we sail to the UNESCO-listed city of Trogir. Trogir is sometimes referred to as "miniature Venice" or a "mini Dubrovnik" because of its ancient walls, or a floating museum town - as it has a masterful architecture including some stunning Venetian palaces. Free time to explore the town on your own. Return to the ship for lunch and set sail for Šibenik. After disembark in Šibenik we will take the bus to visit Krka National Park. You will discover the pristine nature and waterfalls of the Krka National Park, an area extremely rich with flora and fauna.
