The rich cultural heritage is visible at every turn: The Roman forum which dates to the 1st century AD, the church of St. Donatus dating to the 9th century AD - the most famous Medieval basilica and the symbol of the city. The imposing and mighty city walls with representative Port and Land gates date from the 16th century AD, and there are numerous palaces and villas of former noble families. Great restaurants line part of the waterfront and the center of town. Famous, contemporary creations are the Zadar Sea Organ, one of a kind in the world (listen to the sound) and "The Greeting to the Sun" light installation. Overnight in Zadar.
