Afternoon swim at one of the wonderful beaches. ### Day 2 - Sunday

Bol (Brač Island), Stari Grad, Makarska

#### Breakfast, Lunch

This morning we continue our cruise towards the next destination – the island of Brač, more precisely to the town of Bol, known for its famous Zlatni Rat beach (Golden horn), a natural phenomenon that dominates the other beaches with its specific form. Swimming break at the horn and lunch we continue our journey towards Stari Grad on the Hvar island, the sunniest Adriatic island. Free afternoon to explore this unique town. The famous Stari Grad Field is the oldest in Croatia and the best preserved example of ancient Greek. Together with the old town it is a part of world heritage protected by UNESCO. Overnight in one of the ports of Stari Grad, main or ferry port (2 km away) depending on availability in port.

### Day 3 - Monday

Hvar, Stari Grad

#### Breakfast, Lunch

Our next destination is the town of Hvar, a favorite destination for jet setters from all around the world. After lunch we stop for swimming, relaxing and refreshment in clear, crystal blue sea at nearby Paklinski islands. Arrival to Hvar in the afternoon hours followed by guided tour of this extraordinary town (included on Premium Superior). Hvar offers many cultural and historical sites (Renaissance cathedral, the oldest communal theater in Europe founded in 1612, Franciscan monastery, the Benedictine convent famous for their lace listed on the UNESCO World Heritage List, Spanjola fortress towering high above the town ...) and many restaurants and bars open late into the night.

## Day 4 - Tuesday

Biševo (Blue Cave), Hvar, Vis

Breakfast, Lunch

Early in the morning we cruise towards the little Biševo island to visit the Blue cave, a magnificent natural phenomenon. As sometimes weather conditions can be very unpredictable, the possibility of our visit will depend on those conditions, however you will be notified of this by The crew. Entrance to Blue Cave is to be paid on the spot (approx. EUR 14.- per person). We continue towards the island of Vis, which was a strategic navy harbor due to its unique geographical position and as such closed to. Because of its isolation, Vis has a special charm - 'the Mediterranean as it once was' which makes it really interesting to see. Overnight is in the town of Vis, situated on the northern side of the island, developed near the remains of the ancient Issa, first urban center in Croatia. If interested, visit the remains of the Roman thermal Place, City museum or simply take a walk enjoying the view of beautiful "Villae Rusticae" situated along the coast.

## Day 5 - Wednesday

Korčula, Vis

Breakfast, Lunch

During breakfast we depart towards Korčula, the birthplace of famous explorer and adventurer Marco Polo. Surrounded by medieval walls, Korčula resembles a miniature Dubrovnik when approaching from the sea. It has more legends, tales and monuments than you will find anywhere else. Korčula is the only place in the world where the Spanish medieval knight's game – Moreška is still performed. Upon arrival you can enjoy an guided walking tour through the streets of the old town built in the shape of a fish bone (included on Premium Superior). Enjoy the numerous konobas / taverns, restaurants, cocktail bars or night-club located within and around the city walls. Overnight in port.

## Day 6 - Thursday

Korčula, Mljet, Slano, Šipan

Breakfast, Lunch, Captain's dinner

We continue cruising towards one of the greenest Adriatic islands – the island of Mljet, where on the western part, the National Park is situated. Free time to enjoy the beauties of the National Park (two salt lakes connected by a narrow channel to the sea). Cycling around, canoeing or swimming in the lakes is permitted. We continue our cruise towards Šipan, part of Elaphite islands near Dubrovnik, or towards Slano on the coastline, both are small fishermen's villages in one of which we will overnight in the port and have Captain's dinner on board.
