Swim stop in one of the peaceful bays, perfect for enjoying the beautiful atmosphere of the unspoilt nature, lush vegetation and crystal clear sea. Lunch on board. Afternoon arrival in Korčula. This medieval "little Dubrovnik", said to be the birthplace of Marco Polo, has an ancient atmosphere and we will enjoy getting to know it on an interesting tour along its winding streets. After the tour, make the best of some free time and sip a glass of local wine or coffee at an outdoor cafe, take a dip in the sea or just continue walking the streets. Overnight in Korcula.

Day 3 - Monday

Dubrovnik, Korčula, Elaphite Islands

Breakfast, Lunch

Early in the morning we depart to Elaphiti Islands with plenty of time for swimming along the way. As we continue our journey towards Dubrovnik, enjoy the lunch while sailing alongside the old city walls. This is the perfect time for you to make some magnificent photos and memories that will last a lifetime. After the docking, take a guided tour of the Old Town (only if you have purchased our excursion package). After visiting this stunningly intact walled city on the Adriatic Sea coast, you will have the opportunity to experience the best things this town has to offer by yourself. Overnight in Dubrovnik.

Day 4 - Tuesday

Dubrovnik, Mljet

Breakfast, Lunch

Today we sail to Mljet - the most forested island in the Adriatic and one of the most beautiful pearls of the Mediterranean. Mljet is also well known for its two salted lakes - Veliko and Malo Jezero located at the north end of the island. The Benedictine monastery, located on the island of St. Mary on Veliko Jezero, one of the most beautiful places in the area, is also the most visited spot and symbol of the National Park. Join the cruise manager on this magnificent tour and find out why the Greek hero Ulysses considered it his favorite holiday spot (only in case you have purchased our excursion package). Return to the ship followed by the captain's dinner aboard. Overnight in Port Pomena

Day 5 - Wednesday

Hvar, Mljet

Breakfast, Lunch

Early in the morning we set sail to Hvar. It is the longest island in Croatia and the sunniest in Europe (2724 sunny hours each year) and undeniably among the most beautiful islands in the world. You do not know that the first theater in Europe is located here in Hvar (older than Shakespeare's theater in the UK), which is only one detail that witnesses the rich cultural heritage of the island. In case you have bought our excursion package, you can join the guided tour of Hvar and learn why this amazing town is a must-see on the historical map of Croatia. Your evening is free to explore this amazing holiday spot by yourself. We suggest you take a jeep safari that will take you away from the popular tourist resorts, on an intoxicating voyage of discovery through the arable hills of rosemary and lavender, through the various hilltop villages of the island, and along tracks off-limits to most vehicles.

Note: Port of Call can be substituted for Stari Grad because of the limited capacity of Hvar harbor. In that case transfer to and from Hvar will be organized by the cruise company.

Day 6 - Thursday

Hvar, Stari Grad

Breakfast, Lunch

After our visit to Hvar, the boat will head towards the town of Stari Grad. Stari Grad is one of the oldest towns in the region founded in 384. B.c. Located in a deep and protected bay in the north-western part of Hvar island, the town is rich in cultural and historical heritage and is a staple in the sailing routes of many navigators sailing in the Adriatic Sea. After lunch on board, in case you have bought our excursion package, you will make your way to a local winery, not far from Stari Grad. There you will learn about local winemaking and its history on the island and the region and have a wine tasting session in the winery. Return to the ship. Upon your return you will be able to explore Stari Grad on your own. We suggest that you find a cozy local restaurant (konoba) and relax as the sun sets with a lovely glass of local wine and a pleasant meal. Return to the ship and overnight in Stari Grad.

Day 7 - Friday

Bol (Brač Island), Split, Stari Grad

Breakfast, Lunch

Early in the morning we set sail to Brač where a swimming stop is planned at Zlatni Rat beach, a long, pebbly beach near Bol that protrudes over 500m out into the Adriatic Sea and, surrounded by deep blue water, changes shape with the wind, which makes it unique in Croatia. In case of bad weather, we will stop at nearby Milna. . Enjoy our last day specialties as we sail to our final port Split. Upon arrival, join the walking tour through Split with an expert guide who will bring the past to life and also tell you a lot about Split today. Stroll the streets and learn many interesting facts that make this unique town's history full of intrigue. Take part of the story of this more than 1700 years old town, founded by the Roman Emperor Diocletian who chose this beautiful place as his retirement residence.
